

Seed Inventory Insurance Program

Brown & Brown Insurance Services, Inc. Seed Inventory Insurance Program offers Seed Dealers a convenient and cost-efficient option to protect against loss of branded seed products while in Dealer's possession. The program is underwritten by AGCS Marine Insurance Company, rated A+ XV by A.M. Best and AA by Standard and Poor's.

Program Features | Advantages

- High Customer Satisfaction – program has served customers over 25 years
- Savings up to 50%
- Peak Season Inventory insured up to \$10,000,000
- Coverage for seed Inventory (including containers) - at any location (owned, leased or temporary storage), in transit, shipped direct to growers
- 24/7 Claim Service, loss paid on delivered invoiced price

Coverages

- Fire, Windstorm, Collapse, Theft, and other Perils
- \$500 Deductible, no coinsurance
- Limits up to \$10,000,000 any one loss or occurrence, except:
- Flood up to \$2,000,000; \$250,000 Flood Zone A and its derivatives
- Inventory in Transit up to \$300,000 any one conveyance
- Master Policy includes Authorized Dealers
**Subject to policy terms, conditions, and exclusions. In the event of difference, policy will prevail*

Convenience

- One Annual Invoice: Includes prior season's final adjustment based on actual invoiced sales reported by Brand
- No Reporting: Crop year-end sales provided by Brand
- Online Access: Dealer may enroll, renew, make payment, view and print Evidence of Coverage
